- 5th Place - Each Class - over 35 entries
- An Award - Best driver Over 40

To qualify for an award drivers must complete at least 50% of the number of laps of the class winner. No driver can win more than one award with the exception of the Over 40 award.

10. GENERAL: The route used is all on private land and drivers and support crews are asked to ensure that there is no damage caused. Refueling is to be carried out where designated by the Club. Drivers will be notified of number with final instructions. This number must be displayed on front and rear of machines, the onus is on the driver to ensure that their number is recorded by lap scores.
11. REFUELING AREA: No minors to be allowed in.

NOTE: TYPE OF EVENT A Hare and Hounds style course in which riders will start at intervals in classes and ride until the advised finishing time (approx. 2.5 hours duration), when the number of laps completed will decide the event. To qualify as a finisher the rider must pass finishing flag with engine running.

NOISE: Any competitor whose machine becomes noisy during the event, will be stopped until repairs are carried out to the satisfaction of officials.

WWMC/kPegg Transponder System

- You wear the transponder on your right wrist just like a wrist watch
- Wear it under your shirt or jacket to keep it clean – this will not affect the way it works.
- When you approach the reader, swing your wrist along the front surface of the scanner an inch or two away from the surface. The antenna is the black box with the little red flashing light – not the other thing that looks like a car reversing light.
- When the other thing that looks like a car reversing light lights up you have been scanned and can go on to the second scanner.
- Follow exactly the same procedure at the second scanner. The second unit is the back-up system and is totally independent from the first.
- The scanners cannot scan the same tag twice by mistake, so don't worry – you will not be accidentally credited with extra laps so you won't have to spend the rest of the race wrestling with your conscience.
- It is your responsibility to make sure you have been scanned! The light will tell you when this has happened. If you have followed these instructions and cannot get the unit to scan you, go to the timing controller immediately who can record your time and issue you with a replacement transponder if necessary.
- After the event the transponders can safely be washed with the rest of your riding gear.

Transponders for this system cost £10 to buy from the club, and will be used at all club events. Should you forget or lose your transponder, you may hire one for the event for £20 cheque or cash returnable on return of the transponder at the end of the event.

Results will be posted on the Club website as soon as possible after the event
